

# Zebulon Historic Homes Tour

Saturday, April 9th  
10am - 4 pm

## View Some Historic Homes

What a better way to celebrate historic preservation in our community than with Preservation Zebulon's Historic Homes Tour! Our tour will feature vintage homes in the downtown residential area and along Gannon Avenue. These centennial homes in Zebulon's proposed historic district will open their doors to ticket holders for the first time on April 9. The tour highlights charming examples of early twentieth century architecture.

The tour is the flagship fundraiser for Preservation Zebulon.
